

## Introduction

Atgron, Inc. requires all accredited Registrars and their resellers to sell .WED TLD names from a site with a .WED extension.

## Launch Program

In order to conduct our Sunrise activities, Atgron, Inc. is requesting a special Launch Program to provide ICANN accredited Registrars who have signed the Atgron, Inc. RRA with .WED sites over and above the 100 pre-launch extensions available via the Registry Operator agreement.

Each Registrar will be allocated a maximum of three (3) .WED extensions and any extension will be validated against the TMCH database prior to delegation.
