Subject: SR381053 Service Request - .LAT functional testing completed

Hello,

My name is Luis Gonzalez, I am part of the technical team that implemented the .LAT Registry system.

We have completed the functional testing with the TMCH test environment for the .LAT TLD.

This email is to submit a Service Request for you to verify the tests results.

Please let me know if you need any extra information to do this.

Regards,

Luis Gonzalez
