

Whois Access Policy

Version Control: 1.0

2015-6-23

1. INTRODUCTION

This document describes Elegant Leader Limited's ("Registry Operator") Whois Access Policy, which governs public WHOIS service and the publication of person-related data collected from registrants. Thirds are allowed to access the WHOIS service via a standard text-based network protocol on Port 43 and also via a web interface whois.nic.xin.

The information provided by WHOIS service is usually carried out by a registrar, which is obliged to comply with certain privacy regulations of Registry Operator. Whois Data consists not only of the domain name but also the relevant contact information associated with the domain name as provided by the registrant. It also identifies nameserver delegation and the domain name's registrar of record.

The data in this record is provided for informational purposes only and Registry Operator does not guarantee Whois Data accuracy. This service is intended only for query-based access. By submitting a Whois query to Registry Operator, you agree to abide by this Whois Access Policy.

This policy may be changed and updated from time to time based on evolving needs and requirements from the laws of the People's Republic of China and the operation requirements of the Registry Operator.

2. SCOPE OF WHOIS SERVICE

The above person-related data is made available via a standard text-based network protocol on Port 43 and also via a web interface under whois.nic.xin for access by third parties.

On the whois.nic.xin, the whois data can be searched using various criteria via searchable Whois system.

3. WHOIS DATA SECURITY

Any data mining and bulk query access from single sources may result in a rejected responses, moreover the corresponding individual IP addresses or IP ranges may be prevented from accessing Whois Data during a certain period. Beyond this, Registry Operator may employ a blacklist to block access to Whois Data by those found to violate this Policy or any other Registry Operator operation policies.

4. Terms of Use

The data contained in Registry Operator's Whois database is provided for the sole purpose of assisting users in obtaining information about or related to a domain name registration record.

Registry Operator provides the data in accordance with the registration record, but does not guarantee its accuracy. By submitting a WHOIS query, any users must agree that they will use this Data only for lawful purposes and that, under no circumstances will they:

(1) use electronic processes that are automated and high-volume to access or query the Whois database;

(2) support the transmission of mass unsolicited, commercial advertising or solicitations via facsimile, e-mail and telephone.

Without the prior written consent of Registry Operator, the compilation, repackaging and dissemination of this Data is expressly prohibited. Registry Operator reserves the right to modify these terms at any time. By submitting a WHOIS query, any users agree to abide by this policy.
