1. LAND RUSH PHASE

The Registry Operator will define a window during the Limited Registration Period where eligible applicants can apply for .中文网 (xn--fiq228c5hs) and .在线 (xn--3ds443g) labels.

The defined window will be announced on the Registry Operator website in addition to information sent to Registrars with a signed Registry Registrar Agreement with TLD Registry LTD.

2. ELIGIBILITY AND NAME SELECTION

Eligible labels are defined by the Registry Registration Policy and ICANN defined policies. No prior rights need to be claimed for applications in this phase.

3. CONTENTION RESOLUTION WITHIN THIS CATEGORY

Should there be more than one eligible application for the same label in the Land Rush Phase, the contention will be solved through an auction process. No other contention resolution criteria (like allocation based on a first-come first served basis) will apply.

4. PRIORITY

Applications eligible under the Land Rush Phase will be allocated with priority over eligible applications within the General Registration period.
