
Policies for the Limited Registration Phase

According to its Registry Agreement with ICANN and other applicable requirements Hamburg Top-Level-Domain GmbH (the „Registry“) will perform a so-called „Limited Registration Phase“ during the timeframe after end of the Sunrise-Phase towards the start of the General Availability.

In this phase solely domain name registrations of the Free and Hanseatic City of Hamburg on its own discretion for its own purposes or in favor of or by related third parties will be accepted.

Apart from that the Registration Policies will apply during the Limited Registration Phase.
