

.MOSCOW Limited Registration Period III Policy[Version 1.0 of 26 Jul 2014]

This .MOSCOW Limited Registration Period III Policy ("Policy") sets forth the terms, conditions, procedure and time frame for registration of second-level domain names in the .MOSCOW top-level domain for the needs of the Moscow Government, Russian Federal Authorities, other Moscow municipal authorities and municipal- and federal-level entities.

Terms and definitions used in this Policy:

Registration Key is a coded character set, which is an integral part of any registration application within the Limited Registration Period III. Registration Key will be given to the User in accordance with the terms and conditions set forth herein. If a registration application does not contain a Registration Key, a domain name will not be registered during the Limited Registration Period III.

Other terms used herein are defined in the Terms and Definitions Used for the Registration of Second-Level Domain Names in .MOSCOW and .MOCKBA published on the website of the Foundation for Assistance for Internet Technologies and Infrastructure Development at the section "Policies" at: <http://en.faitid.org/projects/moscow/documents>

1. General Provisions

1.1. Terms and procedure of the provision of services related to domain name registration shall be defined by: this Policy, ICANN Policies published on the website of ICANN at <http://www.icann.org>, and the Registry Agreement dated December 19, 2013 entered into by and between the Registry Operator and ICANN.

When concluding registration agreements with Users, the Registrar cannot include in such registration agreements any provisions contradictory to this Policy, ICANN Policies, Registry Agreement, Registrar Accreditation Agreement, and .MOSCOW and .MOCKBA Registry-Registrar Agreement.

1.2. Registration of second-level domain names in the .MOSCOW TLD for end users shall be provided by ICANN-accredited Registrars that signed the .MOSCOW and .MOCKBA Registry-Registrar Agreement with the Registry Operator, and successfully passed verification in the Trademark Clearinghouse.

1.3. The Registrar shall have the right to engage third parties for interaction with Users, which does not acquit the Registrar from the obligations specified herein. The Registrar shall require such third parties to include in their registration agreements with Users all provisions required by this Policy, ICANN Policies, Registry Agreement, Registrar Accreditation Agreement, and .MOSCOW and .MOCKBA Registry-Registrar Agreement. The Registrar is fully responsible for all actions (or omissions) of such third parties and for all consequences of such actions (or omissions).

1.4. Rights and obligations of Registrars are listed in the Registrar Accreditation Agreement published on the website of ICANN at <http://www.icann.org/en/resources/registrars/raa/approved-with-specs-27jun13-en.htm>, as well as in the Registry Agreement dated December 19, 2013 entered into by and between the Registry Operator and ICANN and published on the website of ICANN at <http://www.icann.org/en/about/agreements/registries>.

1.5. In order to use the service of limited domain name registration, the User must conclude a registration agreement with a chosen Registrar or a third party engaged by the Registrar.

1.6. This Policy, as well as any exhibits hereto, may be modified, amended, updated, approved to a new version, or canceled at any moment at the Registry Operator's sole discretion. The Registry Operator is also entitled at any moment to approve and put into effect a new exhibit to this Policy. The Registry shall

notify Registrars via email of any modifications, amendments, updates, or new versions of this Policy or exhibits hereto, as well as introduction of new exhibits hereto.

1.7. Registrar shall notify its customers of any modifications, amendments, updates or new versions of this Policy or exhibits hereto, as well as introduction of new exhibits hereto no later than one (1) business day after the Registry Operator has made any changes pursuant to clause 1.6 hereinabove.

1.8. This Policy applies to all ICANN-accredited Registrars that signed the .MOSCOW and .MOCKBA Registry-Registrar Agreement with the Registry Operator, as well as to all domain names and all Registrants of second-level domain names in the .MOSCOW TLD.

1.9. If any provision of this Policy or exhibits hereto is found (either fully or partially) illegal, invalid or unenforceable, all other provisions remain in full force and effect.

1.10. The running of the time frames established by this Policy shall be determined according to the civil law of the Russian Federation. Moscow time is used for the time frames. The technical information specifying submission of applications and modification of the Registry will use Coordinated Universal Time (UTC).

2. Terms and Time Frame of the Limited Registration Period III

2.1. During the Limited Registration Period III, the right to registration is given exclusively to state and municipal authorities of Moscow, state authorities of the Russian Federation, and municipal and federal entities, as listed in the Exhibit 1 hereto.

2.2. Registration term of any domain name registered during the Limited Registration Period III may not exceed ten (10) years.

2.3. The Limited Registration Period III shall be at least 14 successive calendar days.

2.4. Time frames for submitting registration applications to the Registry Operator shall be published on the Registry Operator's official website at least five (5) calendar days prior to the start of the Limited Registration Period III.

3. Requirements to Domain Names

3.1. A domain name in the .MOSCOW TLD must meet the following requirements:

- 1) such a domain name must be included in the List of Second-Level Domain Names in the .MOSCOW TLD to Be Reserved for the Needs of the Moscow Government and Russian Federation (Exhibit 1 to the .MOSCOW Reservation Policy published on the Registry Operator's website at <http://en.faitid.org>);
- 2) such domain name is not prohibited for registration pursuant to clause 3.4. hereinbelow.

3.2. The User (Registrant) is solely responsible for the selection of the domain name and possible violations of any third parties' rights in connection with the selection and registration of the domain name, and is liable for the costs of such violations.

3.3. If a domain name the User wishes to register matches the verbal appellation of any trademark listed in the Trademark Clearinghouse, such domain name may only be registered after the User confirms reading the Trademark Claim Notice.

3.3.1. The Registrar shall transfer to the Registry Operator any information on any domain name to be registered by the User prior to sending to the Registry a registration application and shall refrain from sending to the Registry such registration application before receiving from the Registry Operator any information on matching/mismatching of such domain name to be

registered by the User to the verbal appellation of any trademark listed in the Trademark Clearinghouse.

3.3.2. When receiving from the Registrar any information on the domain name to be registered by the User, the Registry Operator shall verify if such a domain name matches the verbal appellation of any trademark listed in the Trademark Clearinghouse.

- 1) In case of such match, the Registry Operator shall send to the Registrar its notice on the need for the User to confirm reading the Trademark Claim Notice, as well as any information on the matching trademarks and on the rightholders thereof.
- 2) In case of no such match, the Registry Operator shall notify the Registrar there is no need for the User to confirm reading the Trademark Claim Notice.

3.3.3. When receiving a User's order to register a domain name which matches the verbal appellation of any trademark listed in the Trademark Clearinghouse, the Registrar shall provide to the User an opportunity to become aware of the notice on match of the domain name to be registered to the verbal appellation of any trademark listed in the Trademark Clearinghouse, as well as an opportunity to express its consent to the registration while taking into account the information specified in the notice (“**Claims Service**”). The contents of the notice must coincide with the Trademark Notice form provided in the Exhibit 3 hereto. The form related to submission of the notice to the User and the way of expressing the User’s consent to the registration of any domain name matching the verbal appellation of any trademark listed in the Trademark Clearinghouse shall be determined by the Registrar.

3.3.4. No domain names matching the verbal appellation of any trademark listed in the Trademark Clearinghouse shall be registered until the User confirms reading the Trademark Claim Notice.

3.4. Domain names prohibited for registration in the .MOSCOW TLD.

3.4.1. .MOSCOW TLD has a list of domain names prohibited for registration in accordance with ICANN requirements set out in the Registry Agreement (Specification 6) published on ICANN's website at: <http://www.icann.org/en/about/agreements/registries>. Any denominations are added to or removed from such list at ICANN’s sole discretion.

3.4.2. The list of domain names prohibited for registration in the .MOSCOW TLD in accordance with ICANN requirements is published on the Registry Operator's website at: <http://en.faitid.org>.

4. Procedure of the Limited Registration Period III

4.1. Only domain names included in the List of Second-Level Domain Names in the .MOSCOW TLD to Be Reserved for the Needs of the Moscow Government and Russian Federation (Exhibit 1 to the .MOSCOW Reservation Policy published on the Registry Operator's website at <http://en.faitid.org>) will be registered during the Limited Registration Period III.

4.2. Domain name registration pursuant to this Policy is only available for the Moscow Government, Russian Federal Authorities, other Moscow municipal authorities and municipal- and federal-level entities, which are listed in the Exhibit 1 hereto.

4.3. To register a domain name, the User must:

4.3.1. Receive a Registration Key from the Registry Operator.

The Registry Operator shall transfer to the User a Registration Key after receiving from the User an official application filled in accordance with the form in the Exhibit 2 hereto, provided the User complies with all the requirements of this Policy.

To receive the Registration Key, the User must provide to the Registry Operator the original of the official application. The application may be sent to this address: 3rd Khoroshevskaya str., 2 bld 1, Moscow, 123308, Russia, FAITID.

The Registry Operator may refuse to provide a Registration Key to the User if the second-level .MOSCOW domain name listed by the User in the application for the Registration Key is already reserved for the needs of another state or municipal authority of Moscow, or another federal authority of the Russian Federation based on the official letter No. 64-03-941/14 dated April 18, 2014 from the Moscow Department of Information Technology.

4.3.2. Submit to the Registrar a registration request containing the Registration Key. The form of registration request shall be determined by the Registrar.

4.4. When receiving a registration request from the User, the Registrar shall register a domain name for the User, provided the User complies with the terms of its Registration Agreement. Any registration request the Registrar submits to the Registry must contain a Registration Key.

4.5. If there are two and more registration requests for the same domain name during the Limited Registration Period III, the Registrar shall satisfy the application that was the first to meet the provisions set forth by this Policy and the Registration Agreement between the User/Registrant and the Registrar for registration of .MOSCOW domain names.

4.6. Applications for domain name registration within the Limited Registration Period III will be accepted from 4 September, 2014 to 22 September, 2014 inclusive.

4.7. Applications for domain name registration within the Limited Registration Period III will be processed from 4 September, 2014 to 23 September, 2014 inclusive.

4.8. If the User received a Registration Key but failed to submit the registration request within the term set forth in clause 4.6 hereinabove, the domain is regarded to be Allocated to the User, who may register such a domain name after the start of the General Registration period in accordance with the Policy for Registration of Reserved Domain Names in the .MOSCOW TLD published on the Registry Operator's website at: <http://en.faitid.org/>

5. Domain Name Registration Cancellation

5.1. Domain name registrations performed within the Limited Registration Period III shall be cancelled by the Registrar in case of violations of the terms and conditions specified in clauses 3.1 and 3.4 hereinabove /or in case the information submitted by the User during the domain name registration is found to be false.

5.2. The Registry Operator reserves the right to verify registration applications selectively and enforce penalties (up to domain registration cancellation and suspension of access to the Registry for the Registrar) in case of violations of the terms and conditions specified in clause 4.4 hereinabove.

5.2.1. The Registrar must provide to the Registry Operator all necessary details about the registration application for the Limited Registration Period III upon receiving such a request from the Registry Operator.

6. Final Provisions

6.1. All actions related to domain names registered / being registered during the Limited Registration Period III shall be performed pursuant to the Policy version in effect as of the date of any such actions.

6.2. During the effective term of this Policy, the Registrant may not:

6.2.1. transfer domain name to another person or entity, except after disposition of exclusive rights to the trademark in respect of all goods and services, or after the effective date of a court order related to domain name rights;

6.2.2. transfer domain name to another Registrar;

6.2.3. renew domain name registration.

6.3. Domain names registered during the Limited Registration Period III under this Policy shall be delegated no earlier than in three (3) but no later than in fourteen (14) calendar days upon completion of the Limited Registration Period III.

6.4. This Policy shall be effective from 4 September, 2014 to 23 September, 2014 inclusive.

6.5. After domain name is registered within the Limited Registration Period III, the Registrant shall be bound by the .MOSCOW General Registration Policy. However, limitations specified in section 6.2. hereinabove shall be effective until 23 September, 2014 inclusive.

List of users who are entitled to a Limited domain name registration within the Limited Registration Period III.

Trademark Notice

You have received this Trademark Notice because you have applied for a domain name which matches at least one trademark record submitted to the Trademark Clearinghouse.

You may or may not be entitled to register the domain name depending on your intended use and whether it is the same or significantly overlaps with the trademarks listed below. Your rights to register this domain name may or may not be protected as noncommercial use or “fair use” by the laws of your country.

Please read the trademark information below carefully, including the trademarks, jurisdictions, and goods and service for which the trademarks are registered. Please be aware that not all jurisdictions review trademark applications closely, so some of the trademark information below may exist in a national or regional registry which does not conduct a thorough or substantive review of trademark rights prior to registration. If you have questions, you may want to consult an attorney or legal expert on trademarks and intellectual property for guidance.

If you continue with this registration, you represent that, you have received and you understand this notice and to the best of your knowledge, your registration and use of the requested domain name will not infringe on the trademark rights listed below. The following [number] Trademarks are listed in the Trademark Clearinghouse:
